## The Story

*My name is Yin Thong, owner of Bambú.*

Welcome to my restaurant. I grew up in a small village in Vietnam with the rich tastes and flavors from my ancestor's cooking. As a young woman, I was fortunate enough to travel to Hong Kong and experience the taste of Chinese food far beyond my own imagination. Sixteen years later, from the time I first arrived to the United States, it had been my life-long dream and vision to one day bring back those childhood flavors from my homeland and share with you these tastes and flavors experienced from my homeland and travels. We have created a fusion of traditional dishes with progressive tastes, and have successfully elevated common fare to a meals worth sharing. Although these menu items may seem familiar, I believe you will find a difference in taste quality and freshness! It starts when we shop for these ingredients daily at local markets, and opt to use only the Twin Cities' premiere food distributors. Preparing your meals with care, using only the freshest and highest quality ingredient, and taking pride in our recipes, shows with every dish we serve as we put all our heart into cooking each meal and deliver it to you with the utmost care in servicing you. I sincerely hope your experience at Bambú will become an unforgettable one. Allow me to extend these tastes from my home and travels to you.

Thank you for dining at Bambu! Yin Thong, Owner
